## ABOUT NYC ACCOMODATIONS

The Student Intern is responsible for his/her own food and transportation costs. Housing will be arranged for you by Urban Nations Outreach (usually at our [www.UnoBeachHouse.com](http://www.UnoBeachHouse.com)). To help Urban Nations Outreach cover costs, you will be required to contribute \$400 per month (unless you have been granted a scholarship by the UNO Director) for a shared dorm room. There is a full kitchen for your use and interns are responsible for their own meals. If you anticipate any difficulties in making the \$400 contribution, do not let it deter you from applying with Urban Nations Outreach. Scholarships are awarded at the discretion of the UNO Director. Just give us a note of explanation when submitting the application.
